

MEYER vs. SWENSON SPREADERS

MEYER	SWENSON	CONTROLLERS
?	SEL / SELS	04623-008-00
?	?	Swenson SS-1000-SPC
Base Line 125 ATV spreader	?	63929? (remote alone is 63931) Also uses AF47999 Flow Control Lever
Base Line 240/400	?	34405, 34403 or 22800 Also uses Flow Controller 34900
Base Line 600 (BL-600)	?	62334
Base Line 960 (BL-960)	SB Series	
Blaster 350S	Tailhawk 350	Meyer 22800 Swenson 34403
Blaster 750R / 750RS	Tailhawk 750	Meyer 22800 or 34403 Swenson 34403
Crossfire	X2 Solution PV	Meyer 64782 or 63962 Swenson 04623-008-00
Elite Cab + Chassis Spreader	MDV-Select	Meyer 62334 (replaces 62267) wired controller for gas model (needs harness 63167) 63688 Standard wireless for gas models (remote alone is 63755) 63962? Swenson Standard wireless controller kit is : 04627-080-01 Wired controllers include: 04627-052-01 and 00115-662-00
Elite Pickup Truck Spreader	PV-Select	Meyer 63688 Standard wireless for gas models (remote alone is 63755) 62334 (replaces 62267) wired controller for gas model (needs harness 63167) 62116 wired - old gas model Swenson Standard wireless controller kit is: 04627-080-01 Wired controllers include: 04627-052-01 and 00115-662-00

Elite Utility Vehicle Spreader	LPV-Select	<p>Meyer 63688 Standard wireless for gas models (remote alone is 63755) 62334 (replaces 62267) wired controller for gas model (needs harness 63167) 63930 Wireless for electric models with five speeds and blast 63929 Standard wireless for electric models (remote alone is 63931) 63934 Deluxe wireless control for gas models (remote alone is 63897)</p> <p>Standard wireless controller kit is : 04627-080-01 Wired controllers include: 04627-052-01 and 00115-662-00</p>
European CE Polyhawk	?	<p>Meyer 63962 or 64586 (remote alone is 66066)</p>
LPV Utility Spreader <i>(updated to Elite Utility Vehicle Spreader)</i>	LPV Utility Spreader	<p>Meyer 63688 Standard wireless for gas models (remote alone is 63755) 62334 (replaces 62267) wired controller for gas model (needs harness 63167) 63930 Wireless for electric models with five speeds and blast 63929 Standard wireless for electric models (remote alone is 63931) 63934 Deluxe wireless control for gas models (remote alone is 63897)</p> <p>Swenson Standard wireless controller kit is : 04627-080-01 Wired controllers include: 04627-052-01 and 00115-662-00</p>
MDV <i>(updated to Elite Cab Chassis Spreader)</i>	IceHawk (stainless steel)	<p>Meyer 62334 (replaces 62267) wired controller for gas model (needs harness 63167) 63688 Standard wireless for gas models (remote alone is 63755)</p> <p>Standard wireless controller kit is : 04627-080-01 Wired controllers include: 04627-052-01 and 00115-662-00</p>
Mini Spreader 36000	?	34405
Meyer Mate	?	22800

PolyHawk	PolyHawk	Meyer 63688 Standard wireless for gas models (remote alone is 63755) 62334 (replaces 62267) wired controller for gas model (needs harness 63167) 63929 Standard wireless for electric models (remote alone is 63931) 63934 Deluxe wireless control for gas models (remote alone is 63897) 63962? Swenson Standard wireless controller kit is: 04627-080-01 Wired controllers include: 04623-008-00
PV (updated to Elite Pickup Spreader)	IceHawk	Meyer 63688 Standard wireless for gas models (remote alone is 63755) 62334 (replaces 62267) wired controller for gas model (needs harness 63167) 62116 wired - old gas model Swenson Standard wireless controller kit is: 04627-080-01 Wired controllers include: 04627-052-01 and 00115-662-00
RTEL	RTEL	Meyer 63962 Swenson 04623-008-00
RTG	RTJ -XL / RTJ-XLS / RTJ / RTJS	Swenson Standard wireless controller kit is: 04627-080-01
STCC Cross Conveyor	STCC Cross Conveyor	
UTG - Under Tailgate Premium Spreaders	SA Series - Undertailgate Auger Spreaders	Meyer 63962 Swenson 04623-008-00

* Meyer and Swenson wireless remotes are interchangeable between models with their respective receiver boxes.
